

# LCIRSA 2008

## Kent Adams Memorial Golf Tournament

THURSDAY, NOVEMBER 20, 2008

SOUTHEASTERN LOUISIANA UNIVERSITY

Carter Plantation is home to PGA championship and Louisiana native David Toms' first signature design and the course is the recent recipient of Golf Magazine's "Top 10 Courses You Can Play". The spectacular 18-hole, 7,000 plus yard, par 72 golf course winds through three distinct Louisiana landscapes—live oak flats, cypress wetlands, and upland pine forests.

Carter Plantation is an honored member of the Louisiana Audubon Golf Trail. As a member of the trail, Carter Plantation is part of the Audubon Cooperative Sanctuary for Golf Courses, a program dedicated to protecting the environment and preserving the heritage of the game of golf. In addition to meeting Audubon Golf Trail criteria, Carter Plantation is equipped to professionally cater group and tournament outing with expert PGA of American Service Standards.

The visually stunning course has a Louisiana Golf Association slope rating of 140 and a course rating of 74.4 from the championship tees. Both the front and back nines consist of two par-3s, five par-4s, and two par-5s. Eighty-six strategically placed bunkers offer surprise and challenge to the golfer. Carpeted with Tifeagle on the greens and Tifsport on the rolling fairways, each of the holes offers four or five tee positions, with water coming into play on eleven of the holes. Great effort has been made to preserve the plantation's native wildlife habitats, and indigenous grasses and plants have been extensively incorporated into the landscaping. A double-ended driving range, three practice greens, and practice bunkers are additional features of the course.
